CUTTACK, ODISHA

DIPLOMA IN COMPUTER SCIENCE ENGINEERING08/2018-10/2021
SWAMIVIVEKANANDASCHOOLOFENGINEERING& TECHNOLOGY
BHUBANESWAR, ODISHA

Full Stack Java Course08/2022-03/2023
ASHOKIT
AMEERPET, HYDERABAD

STRENGTHS

Technical Expertise

- Polyglot programming
- Scalable architecture
- Full-stack dev
- Database mastery
- DevOps pipelines

Leadership & Mentorship

- Team leadership
- Developer mentorship
- Agile management

Problem-Solving & Analytics

- Complex troubleshooting
- Analytical thinking
- Bug fixing

Communication & Collaboration

- Effective communication
- Cross-functional collaboration
- Technical documentation

Quick Learner

- Rapid adaptation
- Continuous learning
- Work versatility

Proven Track Record

- On-time delivery
- Innovative contributions
- Performance optimisation

ACHIEVEMENTS

- Reduced system errors by 30% and improved performance by 25% through critical software updates.
- Increased customer satisfaction by 50% and reduced complaints by 20% via cross-functional collaboration.
- Amplified brand engagement by 40% by implementing new social media strategies.

Projects

- Bajaj Finance Health Limited
- Bank Of India
- BharatPE
- Canara Bank
- Croma
- Hero Motor Corp
- LIC
- Loyalty Rewards
- Magma General Insurance
- Project Tracking Tool
- Punjab and Sind Bank
- Saraswat Bank
- UCO Bank
- Union Bank Of India
- Voltas
- Yes Bank
